

# The Sunrise Canyon Community Spring Clean-Up Bulk Guidelines

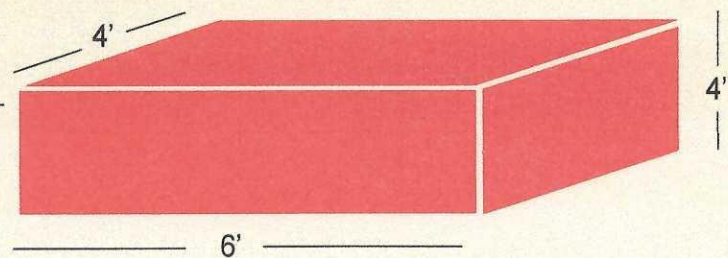

## Monday, June 15<sup>th</sup>, 2020 Bulk Day

**Bulk Service Outline and Restrictions - Please Understand the Following!**  
To ensure service it is necessary to follow the guidelines shown below;

Participating Sunrise Canyon residents must schedule bulk service with RAD by calling Customer Service at 520.881.4227 or visit [RADservices.com](http://RADservices.com) under "Bulk Pick-Up" no later than noon Friday, June 12<sup>th</sup> before scheduled service. To receive bulk pick-up, customers will need to make sure all materials are set out properly and placed curbside prior to 6 a.m. on day of collection. Materials will be collected by 6 p.m. on the assigned day.

The allowed area for bulk is 4-cubic yards.  
What does 4-cubic yards look like?

A space that measures 6' long, 4' wide and 4' tall.

### DO

DO – Cut tree branches and wood into 4 foot lengths and bundle/tie together with twine, duct tape, etc...

DO – Place loose yard waste such as leaves and grass in bags

DO – Place furniture, such as chairs and couches at curb. No special preparation required.

DO – Place century plants, cactus and other similar plants in boxes.

### DO NOT

DO NOT: Place limbs or yard waste in a pile without being tied together

DO NOT: Place construction materials (concrete, dirt, rock, gravel, concrete blocks, drywall, etc...) at curb. Construction debris is solid waste derived from the construction, repair, remodeling of structures and will not be collected.

DO NOT: Place oil, paint, batteries or other hazardous materials

### Improper Bulk Set-Out

### Proper Bulk Set-Out

### Acceptable materials for bulk collection include:

- Furniture and large appliances (excluding refrigerators)
- Household garbage and cardboard (including items that don't easily fit into the trash cart; the lid should close completely)
- Yard debris (including items that don't easily fit into the trash cart; the lid should close completely for standard collection; see additional requirements for preparing yard debris below)

### When preparing yard debris for bulk collection, remember the three B's; Bagged, Bundled or Boxed!

- Grass, leaves and other small items should be bagged and ARE not to exceed 50 pounds per bag.
- Tree limbs and cuttings cannot be longer than 4 feet and must be bundled and tied with twine, string, duct tape or similar cord so one person can handle them. Logs and limbs 12 inches in diameter or less are acceptable.
- Century plants, all cacti and similar plants that are hazardous to our collection employees should be boxed to avoid injury.

### Unacceptable materials for bulk collection include:

- Tires, refrigerators, freezers, hazardous materials, motor oil, batteries and construction materials such as concrete, pavers and brick.
